Medical Marijuana: An Overview

George Kolodner, M.D.

Clinical Professor, Georgetown University School of Medicine

1. Discuss the use history and patterns of medical marijuana
2. Describe the neuropharmacology of medical marijuana
3. Outline public policy issues

The FDA's Role in Medical Marijuana

Douglas Throckmorton, M.D.

Deputy Center Director for Regulatory Programs, United States Food and Drug Administration

1. Discuss the Food and Drug Administration's position on the use of marijuana to treat medical conditions
2. Explain the Food and Drug Administration's role regarding the approval of drugs and drug products in relation to other federal regulatory agencies
3. Discuss FDA-approved marijuana drugs for use in treating medical conditions

Update on Medical Marijuana Laws

Eric Sterling, Esq.

Member, Natalie M. LaPrade Medical Marijuana Commission State of Maryland

1. Discuss the current federal and state laws and regulations regarding the prescribing and use of medical cannabis and specifically in nursing homes
2. Outline legal and regulatory issues for the physician to consider in prescribing or recommending medical marijuana for patients

Medical Marijuana: Clinical Issues and Physician Concerns

Doris Gundersen, M.D.

Assistant Clinical Professor, University of Colorado

1. Review of the pharmacology, national clinical studies and potential uses of marijuana
2. Describe risk management and medical malpractice issues related to medical marijuana

Local Research

Ryan Vandrey, Ph.D.

Associate Professor, Johns Hopkins School of Medicine

1. Discuss local research being conducted on the use of medical marijuana
2. Outline the management of misuse and abuse of medical marijuana and cessation of its use

Patient Care: Speaker Panel/Open Forum

1. Outline assessment of patients for medical marijuana treatment for various diseases and conditions, including regulatory concerns for patients and physicians
2. Discuss determination of impairment levels, functional testing and related issues
3. Review issues related to use of marijuana in hospice and non-hospice palliative care
